EXPERIENCE

Freelance Video Artist/Motion Designer, June 2018 – Present
Kansas City, MO

Collaborated closely with clients on various projects, encompassing explainer videos, commercials, logo animations, social media content, animated application interfaces, music videos, Twitch and YouTube graphics, and more.

Animator/Motion Designer, February 2016 – June 2018
BicMedia, Kansas City, MO

Crafted distinctive styles for each project, tailoring visuals to align with client preferences and brand aesthetics. Orchestrated the creation and animation of storyboards, enabling continuous client involvement throughout the production process.

Animator/Motion Designer, April 2012 – July 2015
ProPoint Graphics, New York City, NY

Spearheaded end-to-end creative content development, overseeing style choices, storyboarding, motion graphics, and final product execution. Employed a diverse array of tools for 2D and 3D animation, vector graphics, photography, video editing, and more to realize innovative designs.

Associate Interactive/Motion Designer, March 2010 – August 2011
Bailey Lauerman, Lincoln, NE

Produced compelling motion graphics, 3D animations, and edited videos with sound design for diverse client initiatives. Created concise animated videos for presentations, commercials, web content, and live events.

Art Director, August 2008 – December 2009
The Daily Nebraskan, Lincoln, NE

Designed graphics and artwork for newspaper articles, including information graphics and full-page layouts. Created artwork in a fast-paced environment, producing quality designs under tight deadlines.

Graphics and Web Designer, January 2007 – December 2009
Center for Digital Research in Humanities, Lincoln, NE

Assisted in designing and building archival and educational websites, serving state universities and education sectors. Developed graphics, logos, brochures, and websites for both digital and print mediums.
